### District Award of Merit

The Award of Merit is the highest award a District can offer an adult Scouter. To qualify for the award, the Scouter must have given outstanding service to youth through Scouting at the District Level. Normally, the award is presented for service to youth in excess of five years. The nominee must be a currently registered adult leader in the San Diego- Imperial Council and have rendered some service outside the requirements of the registered position in a unit.

Keep in mind that the Selection Committee must make their selections based on the information contained on the nomination form. It is important that the nominator take the time to put together a detailed history of the individual's service to Scouting, their community involvement and service to youth outside Scouting. It is nice to surprise the candidate with an award but, if necessary, obtain the information from the candidates themselves or someone close to them.

**Please Note: It is expected that the nominator and the recipient would attend Crossroads District Recognition Dinner. Submit your reservations at the same time as the nomination.**

*Please type or print legibly. Use additional pages as needed.*

**NOTE: Selection is based solely on the information contained in this form. Be as complete and as specific as possible. Use more paper if necessary.**

**1. Outside of Scouting Activities:** A statement covering the nominee's standing in the community, citing civic activities in which the individual is most active in business, professional, civic, religious, education, fraternal, veteran, rural and other fields exclusively outside of scouting:
