Fees for converting a Scout Youth to an Adult spot

Scout Youth participant slots may be converted to Adult slot. This transfer is charged a **\$15 fee for difference** in cost, the remainder of the difference is refunded. Less than 30 days prior to camp converting is no longer an option.

ALL camp fees must be paid in full two weeks prior to the start of the camp session including activity fees. Unpaid activity fees within two-week period are subject to cancellation. Registrations with unpaid participants fees at time of merit badge signups may have their schedules dropped. *Apart from camperships pending

A minimum of two registered Adults per unit are required at camp. Adult participants must have completed YPT.

Merit Badge signups will be enabled in May 2022. An email will be sent to all registration owners with date, time, and link a few days before the sign ups go live. Your unit must be paid in full prior to merit badges sign ups.

Cancellation Policy

Units that cancel/drop participants will forfeit any payments due by that date, whether payment has been made or not.

We have a NO REFUND POLICY. Each payment is based on number of campers, not named individuals. If there are any reductions in total numbers (youth or adult) after each payment due date, the unit will be responsible for the money due at the time of the cancellation, even if no payment has been made. *We encourage you to find a replacement if a scout or leader needs to cancel. Cancellations due to extenuating circumstances are subject to approval.* Cancellations must be done in writing and emailed to sdiccamp@scouting.org. After the close of registration account owners may use the Update My Summer Camp Reservation Link below to request to add or reduce slots for camp

If by order of public health officials, the council is not able to conduct camp, we will offer units or campers either a full refund or a future credit for camp with a 2022 price lock; those choosing a credit will be exempt from any 2023 fee increases.
