# Course Descriptions

**Camping for 1st timers** - It's always the season for campfires, s'mores, and spending time in nature with Cub Scouts – but you must Be Prepared. Come and learn all about techniques, and supplies from experienced campers that will make your outdoor excursions memorable moments. You will also learn about the different SDIC approved camping sites that are available for your pack and Cub families.

**Crafting with purpose** - Throw out the old school markers and colored pencils and bring on the creativity. Come learn how to incorporate fun and meaningful crafts into den and pack meetings that meet elective and rank requirements at each program level. Also, learn tips on how to avoid craft disasters and how to incorporate scouting skills into your crafts.

**Cub Scout DJ** - Want to amp up your pack activities? Want to add energy to your events? In this course learn how to appropriately and legally incorporate music into your events and be the center of attention that will keep scouts and families engaged and coming back for more.

**Games & Gathering Activities**- A good leader always has a game in their back pocket for just those moments. Leaders will learn simple games, games for gathering activities, and small or large group team building games.

**Hands on Cub Science** - Learn about the ins and outs of putting on a science night with your Pack! Try out simple 'home-and-kitchen science' projects that you can use to create a memorable night of hands-on fun for a fraction of the cost of bringing in an outside vendor.

**Inclusive pack Ceremonies**-Come discover ways to adapt the plethora of Cub Scout ceremonies found online and in print to fit the diverse nature of many of today's packs.

**Intro to Scoutbook** - This course is aimed at the Pack Advancement Chair, Committee Chair and other leaders involved with pack advancements. Learn about what Scoutbook has to offer.

**Leave No Trace / Outdoor Ethics Awareness** - Get tips on how to bring the Outdoor Ethics and Leave No Trace program to your Pack. Learn how to present the 7 Principles at a Cub friendly level and create stewards of the land early!

**Non-rank Cub Scout Awards** - Completed all the rank requirements and still have time left in the Scout year? Come learn what other national and council awards your den/pack can earn adding lots more scouting fun to your program.

**Service Projects for Dens and Packs** - Giving something back to your Chartered Organization and/or community is an important part of the Cub Scout program. Together we'll spark some great ideas on when, where, and how.

**Skits, Run-ons & Songs** - Weather it be for campfire, blue and gold, or just that awkward pause in your meeting there's always a place for a song, skit or run on. Come prepared to learn and share!

**Special Needs Scouting AM** - This course is a double session presented in the morning (sessions 1&2). During these sessions your will learn how to develop the talents in Special Needs Scouts and discover ways to help them push past perceived limitations and self-doubt to achieve their goals in Scouting. Presented by the San Diego-Imperial Council Committee on Scouts with Special Needs.

**Special Needs Scouting PM** - This course is a double session presented in the morning (sessions 3&4). During these sessions your will learn how to develop the talents in Special Needs Scouts and discover ways to help them push past perceived limitations and self-doubt to achieve their goals in Scouting. Presented by the San Diego-Imperial Council Committee on Scouts with Special Needs.

**Starting a Girl den** - Learn how to start a new Girl Den in your Pack. Get answers to all your questions from a current Girl Den Leader!

**STEM/NOVA, full STEAM ahead** - Participants will be informed of the various opportunities available to incorporate STEAM and Nova Awards into Den or Pack activities.

**Teaching Whittling Chip** - For Bear leaders who have not used pocket knives and may be uncomfortable teaching scouts how to use them. We will cover how to work safely with knives and scouts together. (Participants DO NOT need to bring knives)

**Tied Up In Knots...Basic and Advanced** - Come grab a piece of rope and learn how to teach your Scouts the knots needed to fulfill the requirements in each rank. Learn how to make knot tying fun!

**Transitioning to Scouts BSA** - Are you a new Webelos Den Leader looking to help your scouts get ready for the transition to Scouts BSA? Do you wish you could ask other leaders for tips on how to help? One leader did the leg work for you, surveying BSA leadership and parents in San Diego Imperial Council to find out what new scouts and parents need to know in order to succeed. Come find out what was learned from SDIC's leaders about how you can get your den ready to transition!

**Webelo/AOL challenge** - Do your older scouts have "senioritis"? Has their interest in Scouting flatlined? Are their prospects for transitioning to Scouts BSA looking bleak? Come learn how to breathe new life into your older scouts and revive their love of scouting through a strong outdoor skills and leadership development program, specifically for Webelos and AOL scouts! This challenge also incorporates engaging outdoors STEM activities that will allow each scout to readily earn the Webelos Super Nova award.

**Your Best Friend – the Unit Commissioner** - Did you know a unit commissioner can be your single most important resource in building a better program, solving a parent communication issue, or behavior problem? Let our commissioner explain what a Unit Commissioner can do for you and your fellow leaders.
